RE: Burnett County Comprehensive Plan Additions/Amendment

You are being notified that Burnett County is going to amend the County Comprehensive Plan by adding the state required Farmland Preservation Plan (FPP) update that was just completed.

The additions include added demographic, trends, and agricultural producer survey information to Volume 1. It also includes the addition of policy statements and maps in Volume 2. The maps identify farmland preservation areas that may make owners of farmland eligible for tax credits/payments for preserving farmland.

Details of the proposed amendment language to the 2030 Burnett County Comprehensive Plan are available at the Burnett County Land Use/Zoning Office, the Burnett County Clerk's Office, Larsen Family Library, and Grantsburg Library, and on the Burnett County website at www.burnettcounty.com/FarmlandPlan.

There will be a public hearing on the proposed additions on August 2, 2016, at 9:30 a.m. in room 165, Burnett County Government Center, 7410 County Road K, Siren, WI.

If you have any questions please contact me at the number listed above.
