

Resolution Changing Number of Election Official

Resolution Number: 12-16-2009

State of Wisconsin
Town of Union
Burnett County

Section 7.32 Wisconsin Statutes, allows a municipal governing body to reduce the required number of election officials at a polling place from 7 or 5 (in a municipality where voting machines are used) to no less than 3, and the town board has determined that it would be advantageous to the town to have only as many election officials on duty as are needed for a given election.

Therefore, the Town Board of the Town of Union, Burnett County, Wisconsin, by this resolution , adopted by a majority of the town board members on a roll call vote with a quorum present and voting and proper notice having been given, resolves and declares as follows:

There shall be a minimum of 3 election officials on duty at every election. At the discretion of the Town Clerk, the requisite number of election officials may be increased for an election. However, the number of election officials working at a given election shall always be an odd number.

The town clerk shall properly post or publish this resolution as required under Statute 60.80, Wisconsin Statutes.

Adopted this 16th day of December, 2009.
