

Resolution of Commitment North River Road Renovation

RESOLVED, the Town Board of the Town of Union, Burnett County, will accept assistance from the State of Wisconsin Forest Road Aid Fund, under Statute 20.370(7) (MC) to renovate/maintain North River Road to standards above six (6) ton road limits other than spring break-up periods.

BE IT FURTHER RESOLVED, North River Road has been identified as an important route for recreation and trucking of forest products from Governor Knowles State Forest and Burnett County Forest Land areas.

BE IT FURTHER RESOLVED, road renovation will include ditching, replacement of defective culvert(s), repair of frost break-up and gravel as needed.

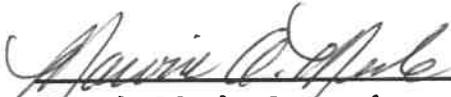

NOW THEREFORE BE IT RESOLVED, the Town Board would pay \$42,500.00 toward project costs and State of Wisconsin Forest Road Aid Fund would provide \$127,500.00. The Town Board will administer the project and will follow bidding requirements, if required to follow. Invoices of work completed will be submitted to the State and paid within the scope of the work outlined.

Adopted this 19th day of September, 2012.
