) Notwithstanding s. 125.68 (3), temporary "Class B" licenses may be issued to bona fide clubs and chambers of commerce, to county or local fair associations or agricultural societies, to churches, lodges, or societies that have been in existence for at least 6 months before the date of application, and to posts of veterans' organizations authorizing the sale of wine in an original package, container, or bottle or by the glass if the wine is dispensed directly from an original package, container, or bottle at a particular picnic or similar gathering, at a meeting of the post, or during a fair conducted by the fair association or agricultural society. The amount of the fee for the license shall be determined by the municipal governing body issuing the license but may not exceed \$10, except that no fee may be charged to a person who at the same time applies for a temporary Class "B" license under s. 125.26 (6) for the same event. A license issued to a county or district fair licenses the entire fairgrounds where the fair is being conducted and all persons engaging in retail sales of wine from leased stands on the fairgrounds. The county or district fair to which the license is issued may lease stands on the fairgrounds to persons who may engage in retail sales of wine from the stands while the fair is being held. If a county or district fair leases any stand to a winery holding a permit under s. 125.53, in addition to making retail sales of wine from the leased stand, the winery may provide taste samples anywhere on the fairgrounds of wine manufactured by the winery. If a license is issued under this paragraph to a fair association solely for the purpose of conducting on the licensed premises wine judging or tasting events involving servings of wine no greater than one fluid ounce each, s. 125.68 (2) does not apply to these licensed premises. Except as provided in par. (b), not more than 2 licenses may be issued under this paragraph to any club, chamber of commerce, county or local fair association, agricultural association, church, lodge, society, or veterans post in any 12-month period.

) Temporary Class "B" licenses may be issued to bona fide clubs and chambers of commerce, to county or local fair associations or agricultural societies, to churches, lodges or societies that have been in existence for at least 6 months before the date of application, and to posts of veterans organizations authorizing the sale of fermented malt beverages at a particular picnic or similar gathering, at a meeting of the post, or during a fair conducted by the fair association or agricultural society. The amount of the fee for the license shall be determined by the municipal governing body issuing the license but may not exceed \$10. An official or body authorized by a municipal governing body to issue temporary Class "B" licenses may, upon issuance of any temporary Class "B" license, authorize the licensee to permit underage persons to be on the premises for which the license is issued. A license issued to a county or district fair licenses the entire fairgrounds where the fair is being conducted and all persons engaging in retail sales of fermented malt beverages from leased stands on the fairgrounds. The county or district fair to which the license is issued may lease stands on the fairgrounds to persons who may engage in retail sales of fermented malt beverages from the stands while the fair is being held. A municipal governing body may issue a temporary Class "B" license for premises that are covered by a "Class B" permit issued under s. 125.51 (5) (b) 2, if the applicant meets the requirements of this subsection. If a license is issued under this subsection to a fair association solely for the purpose of conducting on the licensed premises fermented malt beverages judging or tasting events involving servings of fermented malt beverages no greater than one fluid ounce each, s. 125.32 (2) does not apply to these licensed premises.
