RESOLUTION NO. 2016-1

At the meeting of the Union Town Board of the 15th day of June, 2016, the Board considered a request from Mark Krause of Wagner Surveying Associates as representative of the property owners who own lots along Corcoran Road and the previously platted Lincoln Street that was part of the "The Pines" plat, for the vacation of the public way that is described on the attached Exhibit A and being part of the platted Lincoln Street that is not located within the currently existing Corcoran Road. That the platted but undeveloped Lincoln Street has caused defects in title to the adjacent property owners in that they do not own the land lying beneath the platted Lincoln Street thereby technically leaving them landlocked without legal access to Corcoran Road.

It appears that the public interest requires said vacation, therefore a public meeting will be held on that request on the 31st day of *August*, 2016 at 7:00 p.m. or as soon thereafter as the Union Town Board may consider said matter.

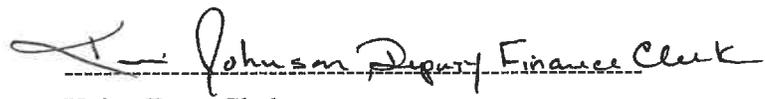

Dated this 20th day of July, 2016.
